Hi Tara – Erika Hoffman and I are in the same unit in OERA. She has more recently worked projects/issues in the area of the proposed hull cleaning (along with Karen Keeley), and after discussion, she and I agreed that she would be the better reviewer for our program. I have cc'd her here. Please include her for future coordination on this project. Thanks! JB

Hello all,

Here is a draft letter to the Navy regarding the hull cleaning of the ex-Independence. Your review and comments are greatly appreciated. Leah and I are working with Peter to figure out who the signatory is and associated Navy addressee.
